

LORRAINE PHILLIPS

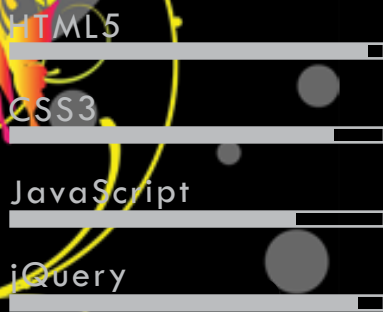

Creative information technology professional with over sixteen years experience in designing, developing and publishing print, internet and digital projects. I enjoy creating simple, intuitive, minimalist designs that effectively communicate task and function in a way that makes it easy and enjoyable for all users.

EDUCATION & EXPERIENCE

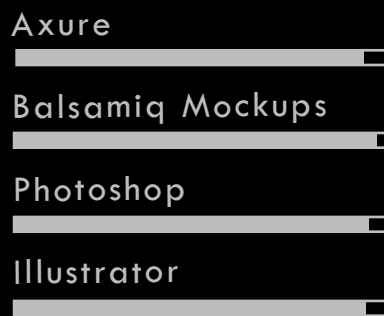

TECHNICAL SKILLS

Languages:

Software:

Other:

LEFT VS. RIGHT BRAIN FUNCTIONALITY

According to testyourself.psychtests.com:
“Both your right and left hemisphere seem to have reached a level of perfect harmony.”
